5. Consent for participating in coaching activities in a traffic-free environment

Parent/carer consent

I, being the parent/carer of the child identified below, have read the information on this form and in the following notes give consent for my child to take part in the coaching sessions conducted in a traffic-free environment. I understand and agree that my son/daughter/child in my care, participates in coaching sessions under the instruction of British Cycling coaches entirely at his/her own risk. I have considered the nature of such sessions and have discussed them with my son/daughter/child in my care. I am satisfied that they are sufficiently responsible and competent to assume full and entire responsibility for their own safety under the supervision of a British Cycling coach.

Notes

- You are giving consent for the child named below to participate in coaching sessions conducted in a traffic-free environment (eg not on a public highway). However, you should note that, in some instances, it might be necessary for the coach to move riders from one location to another, which may require limited use of the public highway. In these instances, the riders will be under the direct supervision of the coach and it will not be part of a coaching activity. No coaching activities will be conducted on the public highway.
- It is part of the British Cycling Code of Conduct to ensure that reasonable steps are taken to establish a safe environment where young riders can enjoy developing their cycling skills. The parent(s)/carer(s) is welcome to stay and watch the session, but this is not compulsory.
- Young riders are expected to remain in the session from beginning to end, unless they have to leave early. If the rider has to leave early or is being collected by someone other than the parent/carer, the parent/carer must advise the coach of the details of the arrangement, including who will be collecting the rider.
- Any young riders who persistently misbehave or put others in danger will be asked to leave the sessions and will not be allowed to attend in future.
- It is the parent's/carer's responsibility to ensure that his/her child's bike is in a safe condition to ride. All riders must wear cycling helmet at all times during the coaching sessions.

Please ensure that you make a note of any medical conditions your child has/you feel the coach should know about in Section 3 of this form. If you have any concerns about your child participating in any form of physical activity, please consult your GP before giving permission for your child to take part in the coaching sessions.

In order that medical information is regularly updated parents/carers will be required to complete a new consent form every 2 years. During the in between period if there are any changes to your child's health we would ask that you notify the Club as soon as possible.

I understand and give consent for British Cycling/Stratford Cycling Club to take photographs/video footage during Go-Ride activities.
